Profile

My name is Wasim Aktar. I am just 21 years old right now.
Basically, I am from Malda,West Bengal.
About my education so, I have my +2 from the WBBCHSE Board in W.B in 2022.
My Strength is Self motivation person.
My weakness is I always want to improve myself and trust issues.
My hobbies are playing football, travelling and I am always ready to participate in any type of activity.
My short-term goal is to become financially independent.
My long-term goal is to achieve the best position in a reputed company. Where I can build my career & help the organization.
I am really excited to start my career in your company where I can learn and enhance my skills.
That's all about me.
